EXPERIENCE

Investment Portfolio Manager — Online / Global
Portfolio Manager & Value Investor & Crypto-Trader

2014/01 - now (11+ years, part time / seasonal)

I have a solid experience with investment portfolio management & strategy, risk management, crypto-trading, crypto-accounting, startup funding & (startup) product development etc.

Designeo Creative s.r.o. — *Prague, Czech Republic*
Lead Vue.js & Ruby on Rails Developer & Project Manager

2012/07 - 2025/01 (12+ years, external / part-time / on demand)

Together we've built high-tech web/mobile/HW solutions for global brands like Yves Saint-Laurent, Dior, British American Tobacco, as well as complex internal task management system based on Redmine.

Improvee.io — Online / Global
Co-Founder & Product Owner & Lead Rails/Vue.js Developer

2019/06 - 2024/05 (5 years, part time / on demand)

"People over-estimate what they can do in a single day and under-estimate what they can do in their whole lives." That is why we help people unleash their true potential and let them grow, following the principles of 改善 (kaizen).

DreamArts / 株式会社ドリーム・アーツ — Hiroshima, Japan
Product Owner & React Native Developer & English Teacher

2021/01 - 2021/09 (9 months, fully on-site)

Responsible for the design & development of a new online product (JP market, retail). "Accelerate your business with digitalization."

Smarlify.co — Online / Global
Founder & CTO & Ruby on Rails Developer & Scrum Master

2014/01 - 2020/03 (6+ years, part time)

Smarlify: "Our customers believe that having a sustainable online business is the way to freedom in their lives. We believe that too. Therefore we help startupers solve the right problem, find & validate their MVP, design a prototype, build & launch the right product – and constantly grow & improve their businesses."

Scuk.cz — Praha, Czech Republic
Full-Stack Developer & Happy Customer

2021/09 - 2022/01 (½ year, full-time on-site/remote)

Local, seasonal, organic food – available at your doorstep.
Responsible for the online store's continuous UX/UI improvements.

FakturaOnline.cz — Prague, Czech Republic
Product Owner & Scrum Master

2014/09 - 2015/08 (1 year, fully on-site)

Together we have improved UX/UI to make the application much easier to use and added features which our users missed the most. As a result we have doubled our customer base, tripled our revenue and built a stable base for a continuous long-term growth.
